PETITION TO CORRECT SPELLING OF INVENTOR NAME
UNDER 37 CFR § 1.48(a)(1)**

Box: FEE Amendments
Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is a Petition to correct the spelling of the correctly named inventor in the above-identified patent application. The basis for this petition is that Applicant GUY W. HERBERT's middle initial was misspelled as "H." in the submitted inventor's declaration.

I, Guy W. Herbert, a correctly named inventor, signed the original Combined Declaration and Power of Attorney on 17 July 2000 and did not notice the incorrect spelling of my middle initial. The error arose without any deceptive intent in the preparation of documents and has continued in the prosecution of this application. As a correctly named inventor, I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and

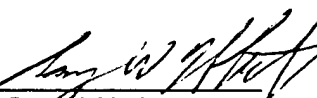

further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements and the like may jeopardize the validity of the application or any patent issuing thereon.

In view of the above, Inventor requests this Petition to Correct be granted and the examination of the application be advanced.

Respectfully submitted,

Dated: 10 April, 2002
